

**The Jersey City Arts and Culture Trust Fund seeks to create equitable access to the arts in Jersey City.**

We strive to fulfill this goal by supporting organizations and individuals that:

- Expand the impact and inclusiveness of the arts in Jersey City
- Revitalize shared spaces through the arts
- Build community connections through art
- Create creative and economic opportunities for artists

Applicants will

- Demonstrate high standards of artistic merit
- Demonstrate the ability to complete proposed project with measurable goals
- Identify and implement a public benefit in their proposal that can be achieved within the grant timeline
- Submit a final report with stated outcomes

Grants are open to nonprofit arts organizations, arts businesses and individual artists.
